Achieve3000
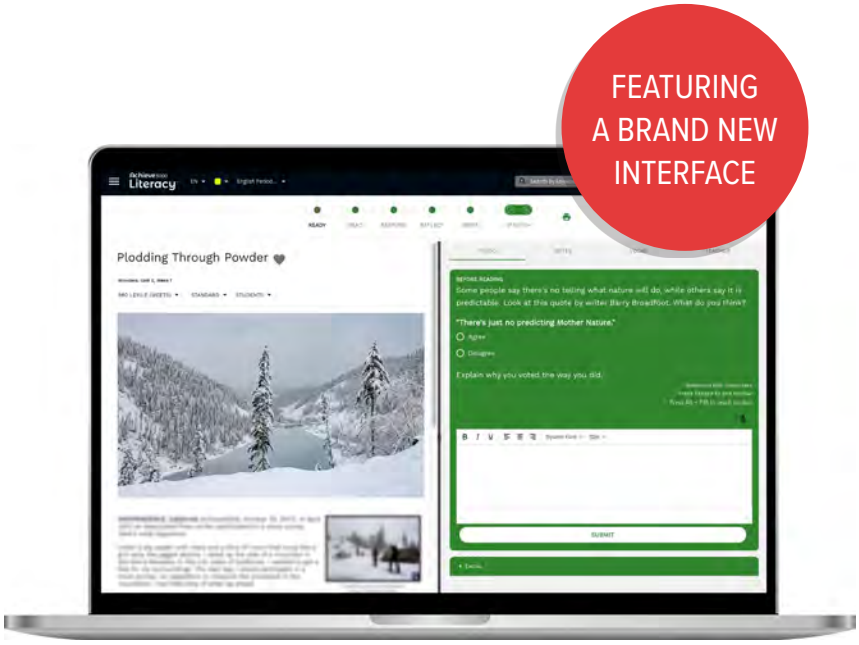
Literacy™

ACCELERATED LITERACY GROWTH WITH PROVEN RESULTS



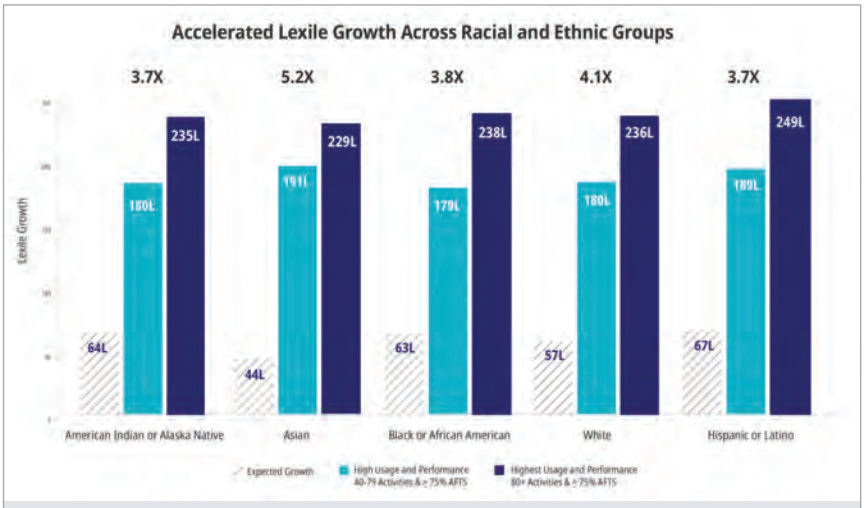
Achieve3000 Literacy is a personalized, adaptive digital learning solution that accelerates literacy growth for all students through differentiated content and instruction. A wide body of research, including a gold standard study with a rating of Strong from Evidence for ESSA, has shown *Achieve3000 Literacy* can double and even triple expected learning gains.

Here's how it works:

- LevelSet™ assessment establishes students' reading levels, and are adjusted in real time through embedded assessments.
- Lesson routine develops comprehension and literacy skills.
- Culturally relevant fiction, nonfiction, and poetry engages students.
- Content is differentiated to 12 levels in English and eight in Spanish.
- Career Center lets students set goals and track their progress toward reaching them.
- Easy-to-use dashboard allows teachers and administrators to track student progress.

A Dynamic Learning Tool

Data from multiple-choice activities enables *Achieve3000 Literacy* to automatically adjust text complexity when students demonstrate readiness for higher-level texts. With this "just-on time re-leveling," students progress steadily toward college and career readiness targets for their grade.



The latest national Lexile study shows *Achieve3000 Literacy* delivers above expected growth for all students.

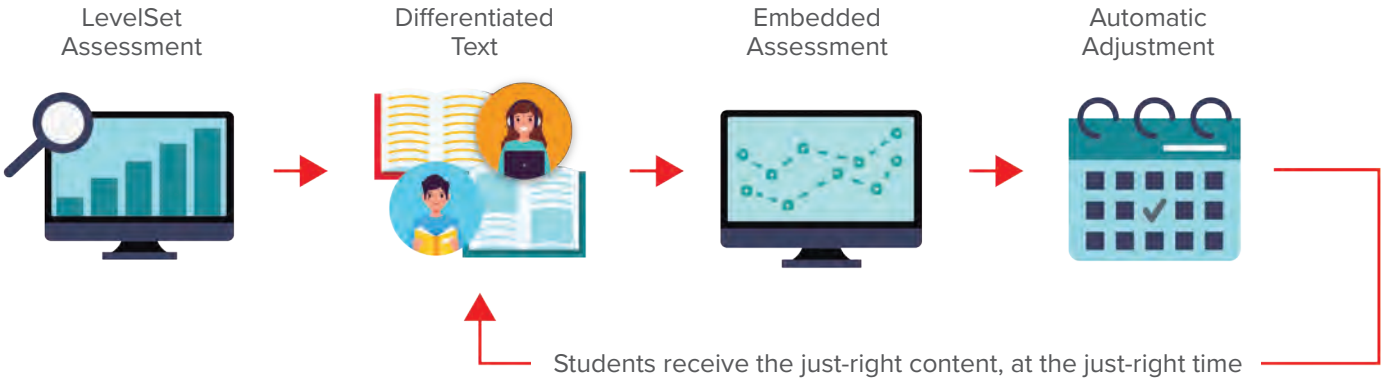
Achieve3000 Literacy™

Mastery Learning Through Engaging Content

Students begin each year by completing the LevelSet assessment, which can also be administered at mid-year and year-end. Based on the results, each student is assigned timely, culturally relevant lessons at the just-right reading level for their needs, for use in ELA, science, and social studies classes. Lessons range from a reading and comprehension activity structure to a more robust five-step literacy routine, which allows students to:

- Activate prior knowledge.
- Express and defend opinions informally.
- Complete an activity to check comprehension.
- Practice close reading and cite evidence.
- Produce academic language in writing.

How It Works



"I've seen growth across the board with *Achieve3000 Literacy*, from our most struggling to our most advanced readers. We've seen some kids reaching 150% to 250% growth, which is really incredible."

–Adrianna Ramirez,
6th Grade Teacher,
Liverpool School District, NY

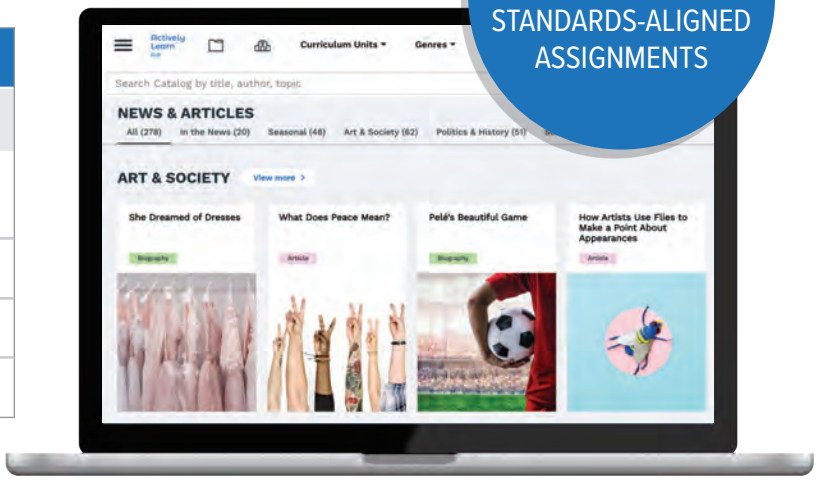
Actively Learn™

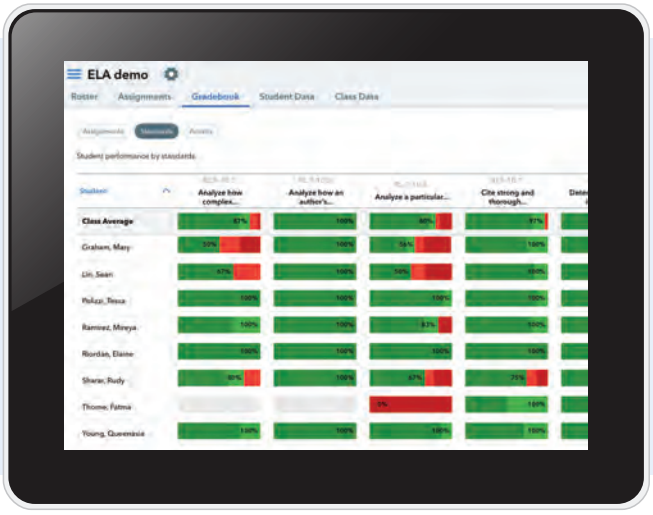
LEARNING. DEEPENED.

Actively Learn is a digital curriculum platform for grades 3–12 that drives student engagement and equity through deeper learning across ELA, science, and social studies. Content ranges from full-length novels, science simulations, and videos to high-interest articles, textbook sections, primary sources, and DBQs. Easy-to-use interactive tools and resources, such as embedded instruction and multimedia, address unfinished learning and promote growth for elementary, middle, and high school students.

Actively Learn Content Overview			
	ELA	SCIENCE	SOCIAL STUDIES
High-Interest Fiction and Nonfiction	✓	✓	✓
Full-Length Novels	✓	✓	✓
Primary Sources	✓	✓	✓
Digital Simulations	✓	✓	✓

4,000+
STANDARDS-ALIGNED ASSIGNMENTS





Flexible and Easy to Use

Teachers can upload articles, Google Docs™, Google Slides™, PDFs, and videos to create interactive assignments that align to their scope and sequence. They can share digital resources and monitor student progress across science, social studies, and ELA state standards and content areas with real-time performance data.

Student Scaffolds and Supports

Learning scaffolds such as guiding questions, text-to-speech, translations into 100+ languages, shared annotations, in-line peer discussion, and real-time teacher feedback make *Actively Learn* your ideal platform for synchronous and asynchronous instruction.

To learn more about *Actively Learn* visit: **mheonline.com/activelylearn-catalog**

Smarty Ants®

BUILDING LITERACY THE FUN WAY!

Smarty Ants is a fun, adaptive, play-based early literacy solution that combines foundational skills instruction, independent practice, and embedded assessment in a single program with robust teacher supports. Students master complex phonics skills as they learn to decode phonemes and words and eventually read stories.

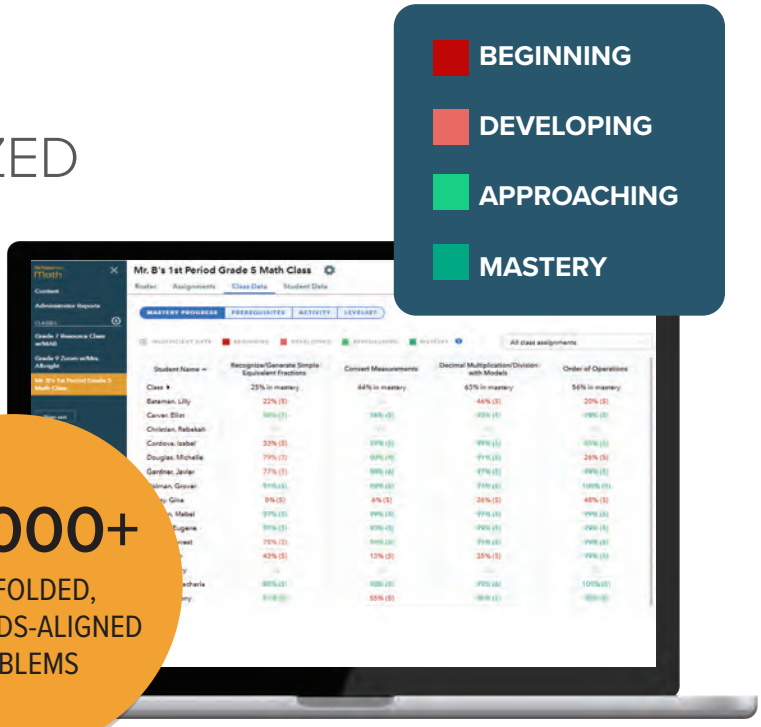
- Available in English and Spanish.
- Easily navigable dashboard provides educators with real-time insights into student performance.
- Multisensory learning includes opportunities to sing, record reading, and develop fine motor skills.

To learn more about *Smarty Ants* visit: **mheonline.com/smartyants-catalog**

Achieve3000 Math™

A POWERFUL, PERSONALIZED LEARNING SOLUTION

Achieve3000 Math is a digital mathematics solution for grades K–12 that's designed to develop math fluency and accelerate students' mastery of skills across grades, standards, and topics. *Achieve3000 Math* offers a data-driven, highly interactive, fully customized learning experience with individualized practice designed to mimic a one-on-one tutoring session with step-by-step scaffolding and layers of support.



25,000+
SCAFFOLDED, STANDARDS-ALIGNED PROBLEMS

To learn more about *Achieve3000 Math* visit: **mheonline.com/achieve3000math-catalog**

PREVENTION FOR ALL: Preventative Tier 1 Solutions

ESTABLISH A SOLID FOUNDATION OF LEARNING FOR STUDENTS AT ANY LEVEL

At Tier 1, tiered solutions provide research-validated core instruction that offers all students a rigorous academic, social, and emotional foundation to prevent achievement gaps BEFORE they occur.

Tiered solutions programs strengthen core curricula with:

- Differentiated instruction.
- Individualized instruction.
- Instruction in fundamental skills, such as phonics knowledge or number sense.

Some students may struggle to progress and will require additional Tier 2 supplemental intervention programs.

Tier 1: Core Universal Instruction	
Focus	For all students
Program	Scientifically-based instruction emphasizing the five critical elements of beginning reading and the foundation of math principles
Grouping	Multiple grouping formats to meet student needs
Time	90 minutes per day or more
Instructor	Classroom teacher
Setting	General classroom setting

Adapted from Dr. Joseph K. Torgesen, "Characteristics of Effective Interventions for Struggling Readers", National Title I Conference January 2005.

Core Math Programs

- *Everyday Mathematics*®
- *Illustrative Mathematics*®
- *Reveal Math*®

Tier 1 Supplemental Math Programs

* BEE, † Evidence for ESSA, ‡ MHE, § WWC

Redbird Mathematics® ‡

Grades K–7

Redbird Mathematics is a personalized, adaptive digital math program that meets all learners where they are with engaging content.

ALEKS® †, ‡

Grades 3–12

ALEKS is an adaptive online math program that uses artificial intelligence and open-response questioning to deliver truly individualized learning and assessment.

Arrive Math™ Booster ‡

Grades K–8

Arrive Math Booster is a searchable library of multi-modal lessons that address every skill covered in the mathematics standards—making it easy for you to find targeted instructional resources and effectively address the needs of every student in your classroom.

PREVENTION FOR ALL: Preventative Tier 1 Solutions *continued*

Core Reading and Language Arts Programs

- *Wonders*®
- *Maravillas*
- *StudySync*®
- *Open Court Reading*
- *Reading Mastery Transformations*™
- *Actively Learn*™

Tier 1 Supplemental Reading/ELA Programs

* BEE, † Evidence for ESSA, ‡ MHE, § WWC

Phonemic Awareness
Grades PreK–1

Short, 10-15 minute lessons follow a developmental sequence beginning with sound and word discrimination and progressing to segmenting and blending.

Open Court Reading Foundational Skills Kits ‡, §
Grades K–3

Offer explicit phonics instruction for students who lack a solid foundation for reading.

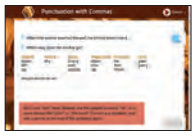
Open Court Reading Word Analysis Kits ‡, §
Grades 4–5

Designed to focus on skills relevant to grades four and five and featuring practice with manipulatives and print for phonemic awareness, phonics, comprehension, word analysis, vocabulary, and fluency, this kit includes instructional tools such as updated Sound/Spelling Cards, lesson cards for five areas of reading, word part cubes, and an intervention kit.

Open Court Reading English Language Development Kit Grades K–5

Designed to promote critical language skills in all English learners, this kit helps students quickly learn the language skills necessary to communicate effectively in their classroom and community.

Redbird Language Arts & Writing ‡
Grades 2–7

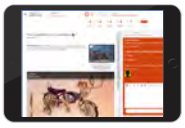


This program leverages adaptive technology and a personalized learning model, allowing students to build strong writing skills and work towards mastery of language arts concepts.

Reading Laboratory® Grades K–12

Creating confident readers for more than 60 years, this supplemental K–12 leveled reading program motivates students through self-guided, cross-curricular selections that connect their efforts to success.

Achieve3000 Literacy™ Grades 2–12



This digital learning solution accelerates literacy growth for all students through differentiated content and instruction that can double or even triple expected learning gains.

Smarty Ants™ Grades PreK–2

This fun, adaptive, play-based early literacy solution helps students master complex phonics skills as they learn to decode phonemes and words and eventually read stories.

INTERVENTION FOR SOME: Targeted Tier 2 Solutions

GIVE STUDENTS THE SKILLS AND CONFIDENCE TO EXCEL

Students who require Tier 2 intervention have gaps in one or more essential concepts that make it more challenging for them to perform at grade level. The programs designed to address Tier 2 students are used in addition to core programs. They focus on the important skills students need to progress, thereby reducing the need for more intensive intervention.

Tier 2 instruction is typically given to small groups of students for 30 minutes per day. The lessons focus on the essential elements for the students' grade level and are planned according to data from their assessments.

Students who continue to demonstrate a lack of progress in Tier 2 move to Tier 3 Intensive Instruction.

Tier 2: Targeted Supplemental Instruction and Intervention (Used in addition to core instruction)	
Focus	For students who are not reaching proficiency and who have responded poorly to Tier 1 efforts—approximately 20–30% of students
Program	Scientifically-based instruction emphasizing the five critical elements of beginning reading and the foundation of math principles
Grouping	Homogeneous small-group instruction (1:3, 1:4, or 1:5)
Time	Minimum 30 minutes per day in small-group instruction in addition to 90 minutes of core reading instruction
Instructor	Personnel determined by the school (e.g., classroom teacher, specialized reading teacher, or Title I teacher)
Setting	Appropriate setting designated by the school; may be within or outside of the classroom

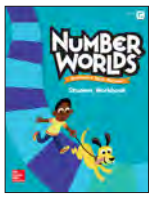
Adapted from Dr. Joseph K. Torgesen, "Characteristics of Effective Interventions for Struggling Readers", National Title I Conference January 2005.

Math Programs

* BEE, † Evidence for ESSA, ‡ MHE, § WWC

Number Worlds® ‡, §

Grades PreK–8



Number Worlds is a research-based prevention/intervention program for students who are one or more grade levels behind in mathematics.

Redbird Mathematics® ‡

Grades K–7

Redbird Mathematics is a personalized, adaptive digital math program that meets all learners where they are with engaging content.

ALEKS® †, ‡

Grades 3–12

ALEKS is an adaptive online math program that uses artificial intelligence and open-response questioning to deliver truly individualized learning and assessment.

Corrective Mathematics ‡

Grades 3–12

Corrective Mathematics provides intensive support for students who have difficulty with mathematics. The series is organized into seven strategic modules that provide teacher-directed instruction on critical skills and concepts.

Arrive Math™ Booster ‡

Grades K–8

Arrive Math Booster is a searchable library of multi-modal lessons that address every skill covered in the mathematics standards—making it easy for you to find the targeted instructional resources and effectively address the needs of every student in your classroom.

INTERVENTION FOR SOME: Targeted Tier 2 Solutions *continued*

Reading and Language Arts Programs

* BEE, † Evidence for ESSA, ‡ MHE, § WWC

Phonemic Awareness
Grades PreK–1

This program helps young students to develop phonological and phonemic awareness. Short, 10–15 minute lessons follow a developmental sequence starting with sound and word discrimination before progressing to segmenting and blending.

Language for Learning ‡
Grades PreK–2

Language for Learning provides young learners with the knowledge and understanding of language they need to achieve proficiency and reading comprehension. This oral language program teaches children the words, concepts, and statements important to both oral and written language, and helps enable them to extend this knowledge to other areas of their development.

Open Court Reading Foundational Skills Kits and Word Analysis Kits ‡, §
Grades K–3 | Grades 4–5

The kits provide classroom-proven, systematic, explicit instruction to help students learn the basics of reading and writing as well as to develop vocabulary, fluency, and comprehension along the way.

Intervenciones tempranas de la lectura
†Grades K–3

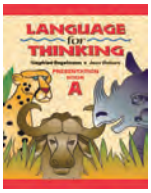
*Intervenciones tempranas de la lectura** provides an efficient framework for teaching students to read. Rather than being taught in isolation, one skill at time, multiple strands are taught in unison on a daily basis, and each strand is tightly sequenced with the text.

*Lectura Proactiva is the research title of this product. See *SRA Early Interventions in Reading* below for the English version of this product.

Early Interventions in Reading ‡, §
Grades K–3

SRA Early Interventions in Reading helps you identify struggling readers and provide them with lessons that build mastery of essential skills through explicit, systematic instruction. Designed to work in tandem with your core reading program, this early intervention program provides the significant increase in the intensity of instruction that low-level readers need to meet grade-level expectations.

Language for Thinking
Grades 1–3



Use this program's systematic, explicit lessons to expand students' practical knowledge of language. Students learn new vocabulary development, effective word use, and correct grammar that become the basis for developing essential reading and writing skills.

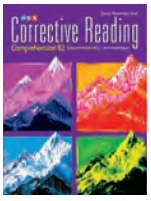
Language for Writing
Grades 2–5

This program helps students learn the conventions of sentence and paragraph construction and the correct grammar needed to write well-constructed narratives, descriptions, and instructions.

Reading Mastery Transformations™ ‡, §
Grades K–5

This comprehensive, evidence-based ELA curriculum is proven to raise reading performance for a range of student populations. *Reading Mastery* helps explicitly and systematically teach key foundational literacy skills and how to read, comprehend, and write narrative and informational text of increasing complexity.

*Corrective Reading**, †, ‡, §
Grades 3–12



Corrective Reading provides intensive, explicit reading intervention for students reading below grade level with tightly sequenced, carefully planned lessons.

*Read to Achieve**
Grades 6–12

Read to Achieve is the first reading program to teach portable comprehension strategies that students can carry into their content area classes.

INTERVENTION FOR A FEW: Targeted Tier 3 Solutions

PROGRAMS FOR STUDENTS WHO NEED SPECIFIC, INTENSIVE INTERVENTION

Students who require Tier 3 intervention have demonstrated serious gaps in their achievement of benchmark standards. They cannot sustain academic progress at Tiers 1 and 2.

Bringing these students up to grade level requires intensive, explicit instruction that meets the needs of the individual student.

Tier 3: Intensive Individualized Instruction and Intervention (Used in addition to core instruction)	
Focus	For students who are significantly deficient in target skills and who have not responded to Tier 1 or Tier 2 efforts–approximately 5 to 10% of students
Program	Sustained, intensive, scientifically-based instruction emphasizing the five critical elements of beginning reading and the foundation of math principles
Grouping	Homogeneous small-group instruction (1:1, 1:3)
Time	Minimum of two 30-minute small-group sessions in addition to 90 minutes of core instruction; or replacement of core with intensive, scientifically based program for 90 minutes per day
Instructor	Personnel determined by the school (e.g., classroom teacher, specialized reading teacher, Title I teacher, or special education teacher)
Setting	Appropriate setting designated by the school; may be within or outside of the classroom

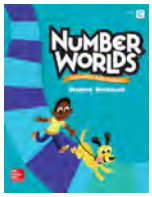
Adapted from Dr. Joseph K. Torgesen, "Characteristics of Effective Interventions for Struggling Readers", National Title I Conference January 2005.

Math Programs

* BEE, † Evidence for ESSA, ‡ MHE, § WWC

Number Worlds® ‡, §

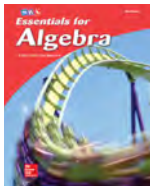
Grades PreK–8



Number Worlds is a research-based prevention/intervention program for students who are one or more grade levels behind in mathematics.

Essentials for Algebra

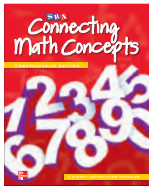
Grades 7–12



Provide the essential knowledge that your under-performing students need to tackle Algebra I. By using the highly-structured lessons in this year-long course, more of your students will master essential pre-Algebra content and gain an understanding of introductory concepts found in a traditional Algebra I class.

*Connecting Math Concepts**, ‡, §

Grades K–5



Offer a gradual yet intensive program that focuses on the "big ideas" of math. Systematic, continual review ensures all students become successful, confident mathematical thinkers. *Connecting Math Concepts* can be implemented as a core replacement program.

Corrective Mathematics ‡

Grades 3–12

Corrective Mathematics is a highly focused intervention program that offers targeted instruction through seven modules:

- Addition
- Subtraction
- Multiplication
- Division
- Basic fractions
- Fractions, decimals, and percents
- Ratios and equations

INTERVENTION FOR A FEW: Targeted Tier 3 Solutions *continued*

Reading and Language Arts Programs

* BEE, † Evidence for ESSA, ‡ MHE, § WWC

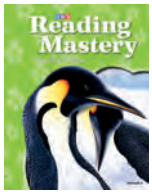
Early Interventions in Reading ‡, §
Grades K–3

This program works in conjunction with your core reading program to provide students performing below grade level with additional, intensive instruction they need to become skilled readers.

Reading Mastery Transformations™ ‡, §
Grades K–5

This comprehensive, evidence-based ELA curriculum is proven to raise reading performance for a range of student populations. *Reading Mastery* helps explicitly and systematically teach key foundational literacy skills and how to read, comprehend, and write narrative and informational text of increasing complexity.

*Reading Mastery® Signature Edition**, ‡, §
Grades K–5



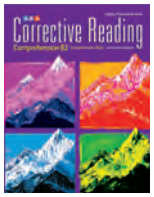
Gain the flexibility to use reading, language arts, and literature together or as separate strands. When used in tandem, *Reading Mastery* provides a research-proven core program; separately, each serves as an excellent intervention. *Reading Mastery* can be implemented as a core replacement program.

*Fusion Reading**, †, ‡, §
Grades 6–12

FUSION READING

Fusion Reading is a comprehensive, research-based, multi-year reading intervention program that provides struggling adolescent students the skills they need to quickly become fluent, competent, and confident readers.

*Corrective Reading**, †, ‡, §
Grades 3–12



Corrective Reading provides intensive, explicit reading intervention for students in Grades 3–12 who are reading below grade level. This Direct Instruction reading intervention program delivers tightly sequenced, carefully planned lessons that give struggling students the structure and practice necessary to become skilled, fluent readers and better learners.

SRA Reading Mastery® Transformations

MOTIVATE, TRANSFORM, AND ACHIEVE SUCCESS FOR ALL LEARNERS

Grades K–5

Reading Mastery® Transformations, an evidence-based Direct Instruction program, is a comprehensive K–5 English Language Arts (ELA) solution proven to raise reading performance for a wide range of students, including special populations.

Educators use *Reading Mastery* to explicitly and systematically teach key foundational literacy skills including how to read, comprehend, and write narrative and informational text of increasing complexity—while building oral language fluency skills.

Content and materials give educators the power to change the course of all learners to prepare for a bright future and positive academic and social-emotional outcomes. *Reading Mastery* offers innovative and efficient content while staying true to a research-proven model.

Mastery Learning Through Engaging Content

Foundational Skills
Delivers explicit decoding instruction so that learners become accurate and fluent readers.

Vocabulary
Intentional, explicit vocabulary instruction enriches background knowledge.

Comprehension
Updated informational and narrative selections provide opportunities to communicate key ideas, cite text evidence, and construct meaning from text.

Writing
Robust, explicit writing instruction builds verbal and written communication skills.

Discussion
Strengthened higher-order comprehension instruction intentionally engages learners, allowing them to access, discuss, and think critically about texts.

Delivery Model

Reading Mastery instruction can be delivered to all learners in a variety of settings.

Small-group intervention or special education settings

Whole-class or school-wide settings

GRADES	FOCUS	OUTCOMES
K and 1	• Identify and write letters. • Phonemic awareness and phonics. • Expand oral language. • Decode words and read text. • Spell decodable words. • Write basic sentences with punctuation. • Build vocabulary. • Engage in collaborative discussions. • Read narrative and informational text.	• Read earlier. • Learn and use 100s of vocabulary words. • Decode 700 words and read passages of 175+ words in Grade K. • Decode 1500 words and read passages of 564+ words in Grade 1. • Write basic opinion, informational, and narrative pieces. • Participate in and comprehend discussions.
2 and 3	• Decode multisyllabic words. • Recognize, spell, and gain meaning of words with prefixes and suffixes. • Read narrative and informational text. • Write narrative, opinion, and informative pieces. • Learn and understand story structure. • Determine story structural elements. • Master comprehension skills including compare/contrast, character development, inference, cause/effect, sequencing, connections, and point of view. • Participate in shared research projects.	• Read fluently and accurately. • Learn and use over 400 vocabulary words per level. • Produce opinion, narrative, and informative writing pieces that include topic, main ideas, and conclusions supported with facts, reasons, and details. • Read and describe relationship between historical events and scientific concepts. • Read several selections by the same author to compare literary elements. • Read and recount various narrative texts including fables, folktales, and poetry, and compare main points from multiple informational texts on the same topic.
4 and 5	• Read and understand a balance of narrative (realistic stories, poetry, short stories, myths, and plays) and informational text (biography, science, history). • Master comprehension skills such as identifying, theme, explicit statements, main idea versus supporting detail, point of view, relevant information, contradictions, and analyzing multiple accounts. • Write collaboratively in groups. • Participate in shared research projects.	• Learn and use over 750 vocabulary words per level. • Read from an expansive collection of narrative texts from authors like Langston Hughes and Gary Soto as well as informational texts of historical or scientific nature. • Using high-quality, increasingly challenging narrative and informational texts, make connections among ideas and between texts and consider a wide range of textual evidence.

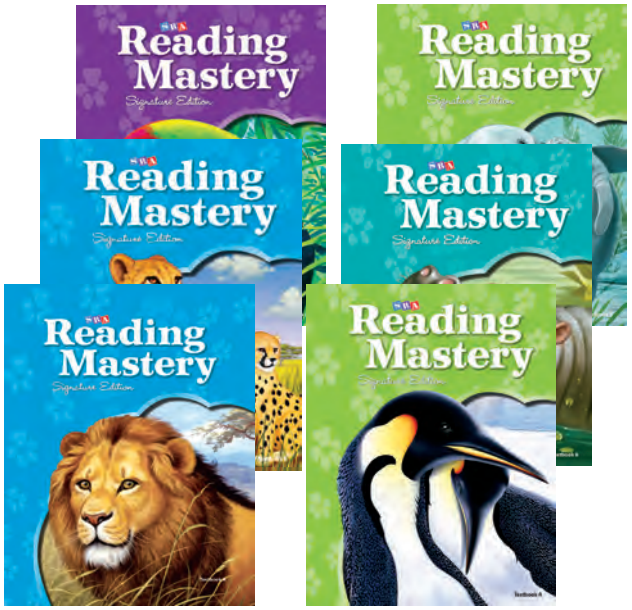
SRA Reading Mastery®

ACHIEVE READING SUCCESS WITH A PROVEN PROGRAM

SRA 2Inform

DIRECT INSTRUCTION



Grades K–5

Your core replacement program solution for at-risk students in Tier 2 and Tier 3/4. Proven lesson instruction and additional tools assist with CCSS mastery by maximizing vocabulary acquisition, tracking lesson progress online, and enhancing students' comprehension with interactive whiteboard activities. Three strands—reading, language arts, and literature—can be implemented separately or combined to provide a comprehensive reading/language arts curriculum.

- **The Reading Strand** addresses all five essential components of reading, helps students connect encoding and decoding, and develops comprehension skills that transfer to other subject areas.
- **The Literature Strand** presents a variety of literary forms and text structures that allow students to practice vocabulary and comprehension strategies independently and with a group.
- **The Language Arts Strand** teaches the language skills needed to understand what is written, read, and spoken while also preparing students to communicate effectively.
- **Student Materials** include storybooks that are more than 95% decodable, workbooks with comprehension activities, and test books to measure student progress.
- **Teacher Materials** include presentation books with lesson plans for reading and spelling, as well as a curriculum-based assessment and fluency handbook to track student skill mastery.
- **Program Resources** include Online Professional Learning Courses.
- **The Literature Strand** includes theme-related trade books, a Read-Aloud Library of 30 books featuring quality narrative and expository text, and a Read-Aloud Teacher's Edition that presents explicit lessons on vocabulary-building and comprehension exercises.

SRA Open Court Reading

DECADES OF CONFIDENT READERS, POWERED BY RESEARCH

Grades K–5

Grounded in decades of literacy research and a proven history of efficacy in the classroom, *SRA Open Court Reading* has been building strong readers, writers, and thinkers for more than 60 years. Our combination of technology and print offerings are effective and engaging, while delivering learning in a way that feels familiar.

- **Built on the Science of Reading, Validated by Research**
  Built upon by findings from original learning theory and cognitive science—also known as the Science of Reading—and balanced with teacher input and modern research on literacy development, *Open Court Reading* delivers undeniable results for learners at every level.
- **Instruction that Turns Research into Action**
  Through systematic, explicit instruction and a scope and sequence that follows a purposeful progression of skills—first build a strong foundation, then build upon that foundation—*Open Court Reading* makes it easy for teachers to turn research into action every day.
- **Foundations for Lifelong Literacy**
  Decades of literacy research consistently shows that complex learning cannot take place without strong foundational skills. *Open Court Reading* provides students the building blocks needed to read and comprehend texts across genres, synthesize information to develop and discuss complex thoughts and ideas, and become fluent storytellers themselves.

SRA Open Court Reading

FOUNDATIONAL SKILLS KITS AND WORD ANALYSIS KITS

Grades K–5

SRA Open Court Reading Foundational Skills Kits and Word Analysis Kits provide students with the building blocks needed to read and comprehend texts across genres, synthesize information to develop and discuss complex thoughts and ideas, and become fluent storytellers themselves.

Foundational Skills Kits and Word Analysis Kits are built around a carefully crafted instructional plan that follows a purposeful developmental progression. The format of each lesson is systematic, explicit, and easy to follow.

Foundational Skills Kits (K–3) and Word Analysis Kits (4–5)	K	1	2	3	4	5
Alphabet Sound Wall Cards	X

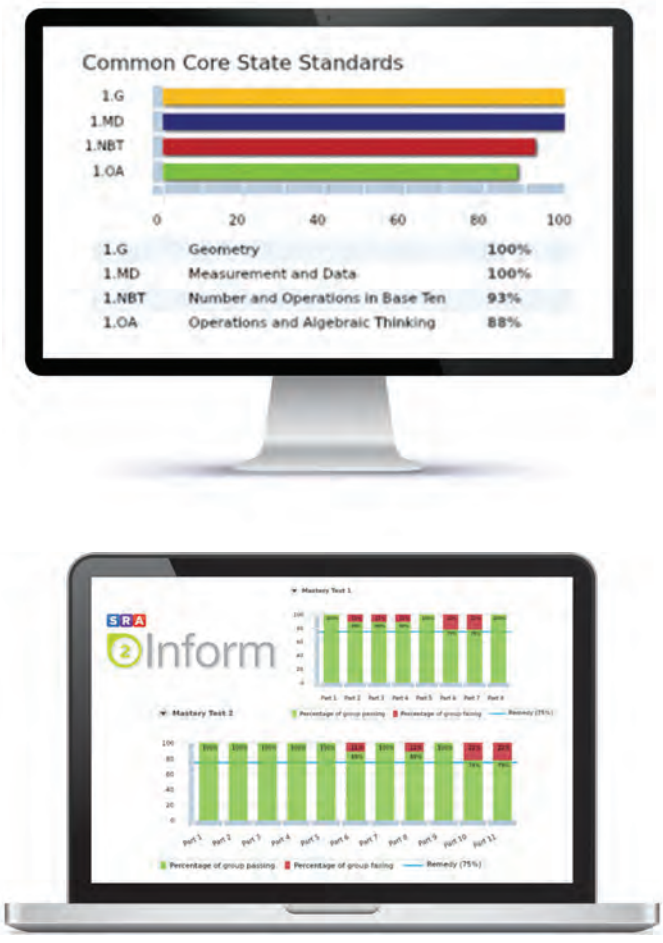
2Inform ONLINE PROGRESS MONITORING

ACCURATE PLACEMENT AND PRECISE REPORTING

Grades K–12

SRA 2Inform® is an online progress monitoring system that allows direct instruction reading, math, and language-arts teachers to track and instantly share student achievements.

- Uses color-coded snapshot views to identify students and groups who are not performing at a level of academic mastery.
- Ensures academic progress by providing remediation instructions for individual students and classes.
- Generates individual, group, and district reports that track mastery, fluency rates, lesson progress, and cumulative achievement.
- Aligns tracking to Common Core to keep teachers focused on key goals.
- Utilizes administrator reporting to allow school district leaders to monitor student progress.



Available for the following programs:

Literacy and Language Arts: *Reading Mastery*® Signature Edition; Corrective Reading; Language for Learning, Thinking, Writing; Read to Achieve; Early Interventions in Reading; and Intervenciones tempranas de la lectura.

Math programs: Connecting Math Concepts Comprehensive Edition, Essentials for Algebra, and Corrective Mathematics.

SRA 2Inform Subscription Rates:

Online Progress Monitoring, One-year subscription.
Online Progress Monitoring, Three-year subscription.

Online Teacher License		
1-year	978-0-02-129028-4	$79.71
3-year	978-0-07-667901-0	$157.89
Online Administrator License		
1-year	978-0-02-135810-6	$1.17
3-year	978-0-07-667902-7	$2.43

For more information, go to mheonline.com/2inform

CORRECTIVE READING

Grades 3–12

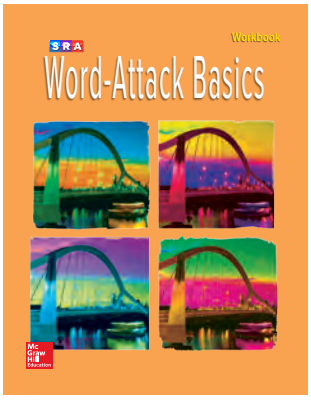
Corrective Reading provides intensive instruction of critical skills and strategies to optimize learning for students whose reading difficulties place them one or more years behind their peers.

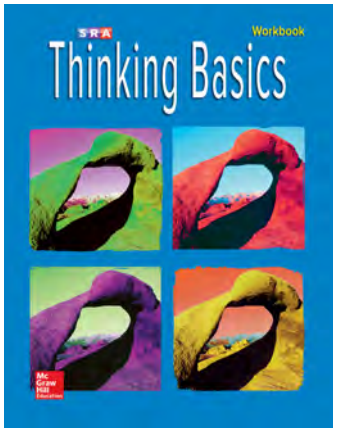
Features

- Provides the explicit, systematic teaching and intensive instructional support that struggling students need to close the achievement gap.
- Offers in-depth support for teachers, with detailed lesson plans that orchestrate what to teach and how to teach it.
- Engages problem readers with briskly paced lessons and special presentation techniques.
- Uses placement tests to identify students' point of entry into the program based on reading level and skill needs.

Benefits

- Supported by independent research and proven in real schools and classrooms.
- Monitors student progress, tracks student proficiency, and provides reports with the new *SRA 2Inform* online program.





View placement tests and sample lessons online at mheonline.com/directinstruction

CORRECTIVE READING DECODING

Corrective Reading Decoding is a research-proven solution for students who struggle with frequent word identification errors, add and omit words, confuse high-frequency words, or read at a laboriously slow rate.

Includes

***Corrective Reading Decoding* Teacher Materials:** Presentation Books (1 or 2), Teacher's Guide, and Practice and Review Activities CD-ROM.

Core Connection Teacher Materials: Core Resource Connections Book, Online Teacher Subscription (6 years), and 10 Online Student Subscriptions (6 years each).

Online Teacher Subscription: Interactive Whiteboard Activities, *SRA 2Inform* Online Progress Monitoring, eInquiry, Research Projects, Online Professional Development via the Teaching Tutor, Teacher eBooks.

Online Student Subscription: eInquiry and Practice & Review Activities.

RAVENSCOURT BOOKS

BOOST FLUENCY AND COMPREHENSION FOR STRUGGLING READERS

These age-appropriate fiction and nonfiction chapter books encourage students to read independently. Organized by theme, the books improve fluency and overall reading achievement. They also coordinate with the vocabulary in the *Corrective Reading* intensive instruction program.

- Engaging, informative themes
- Coordinated with *Corrective Reading* program
- Variety of genres

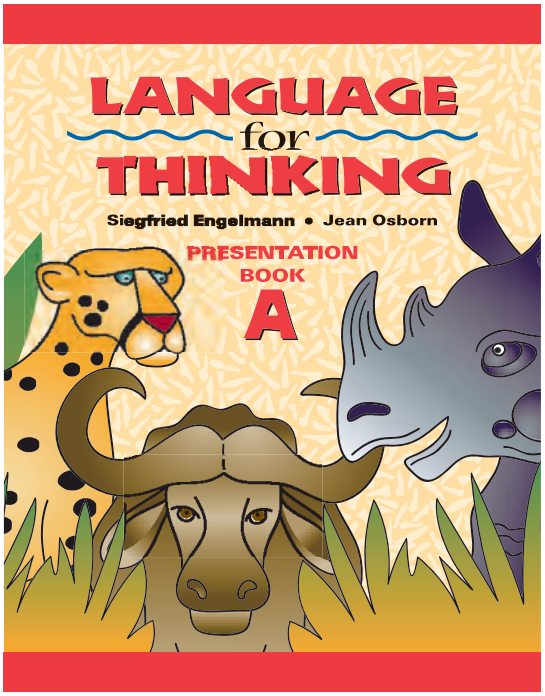
LANGUAGE FOR THINKING

LANGUAGE II / ELL LEVELS 3,4,5

Grades 1–3

Language for Thinking builds on the concepts, vocabulary, and statement patterns introduced in *Language for Learning*. Sequenced activities, vocabulary development, extensive practice, sequencing and retelling exercises, and inference activities set the stage for reading comprehension and the grammatical analysis of written language.



Components

***Language for Thinking* Teacher Materials:** Spiral-bound Presentation Books (3), Teacher's Guide, Answer Key, Behavioral Objectives Book, Skills Folder, and Student Picture Book and Workbook.

***Language for Thinking* Mastery Test Package:** Teacher Handbook with Blackline Masters and Picture Book.

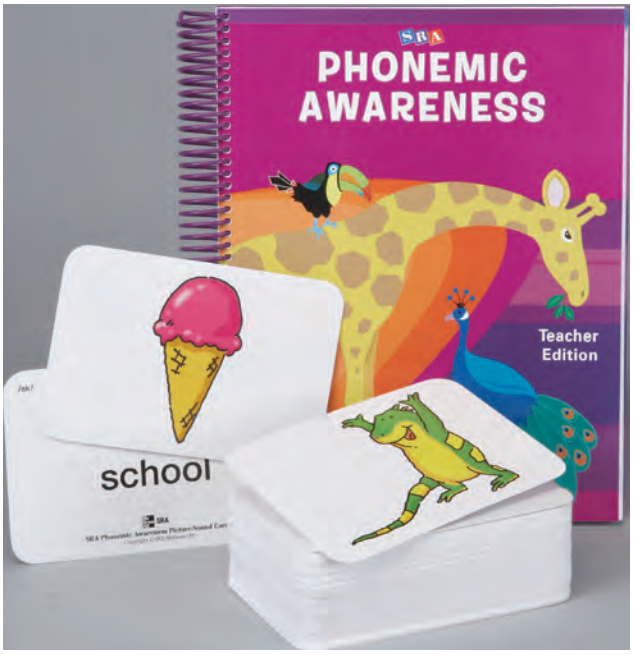
PHONEMIC AWARENESS

PHONOLOGICAL AND PHONEMIC AWARENESS FOR EARLY LEARNERS

Grades Pre-K–1

DIRECT INSTRUCTION



Phonemic Awareness is a complete program for developing phonological and phonemic awareness.

- Teaches phonemic awareness to establish the early framework necessary to help Pre-K–1 students become fluent and confident readers.
- Supplements *Language for Learning* and the kindergarten level of *Reading Mastery.*
- Makes focused intervention easier with a comprehensive scope and sequence.
- Teaches all levels of awareness by presenting a developmental progression of skills.
- Contains 110 15-minute lessons featuring activities that follow the developmental sequence for teaching all levels of phonological awareness.

Teacher Materials Package, 3-year Subscription	978-1-26-433330-1	$248.01
Additional Picture Cards	978-0-07-609443-1	$101.46
Teacher's Edition	978-0-07-609442-4	$241.32

EARLY INTERVENTIONS IN READING

TRANSFORM STRUGGLING READERS INTO SKILLED READERS

Grades K–3

Early Interventions in Reading provides early intensive support to prevent reading difficulties before patterns of failure are established. The program builds mastery through explicit instruction in five critical strands: phonemic awareness, letter-sound correspondences, word recognition and spelling, fluency, and comprehension.

Features

- Targets instruction for phonemic awareness, print concepts and decoding.
- Saves you prep time with integrated technology.
- Offers vocabulary and concept instruction.
- Includes the *SRA 2Inform* program that collects and interprets student data.

Benefits

- Reading skills of at-risk students are positively affected.
- The gap between average performers and struggling readers is closed.
- Students sustain a higher level of achievement into grades two and three.
- Ninety eight percent of students learned to read within the normal range for grade one students.

Components

Level K Teacher Materials: Teacher's Editions A, B, and C; Read-Aloud Book; Pictures for Language and Literacy Support Book; Placement and Assessment Guide; Letter-Sound Cards (26); Picture Magnets (140); Stop and Go Game Set; Staff Development Guide; Student Activity Book (1); Hand Puppet; and Teacher Online Subscription and *SRA 2Inform* Online Progress Monitoring, 6-year access.

SRA 2Inform

INTERVENCIONES TEMPRANAS DE LA LECTURA

BUILD EARLY LITERACY SKILLS IN SPANISH

Grades K–3

This systematic, explicit curriculum helps beginning readers acquire the skills and strategies to be successful readers. An integrated curriculum, *Intervenciones tempranas de la lectura* teaches multiple strands in unison on a daily basis.

Features

- Provides instruction in sequential phonics and phonemic awareness.
- Includes lesson plans with teacher dialogue in Spanish and directions in English.
- Offers a comprehensive development for sequencing, retelling, main idea, and more.
- Collects and interprets student data with *SRA 2Inform* so teachers can effectively respond to student needs.

Benefits

- Provides complete systematic and sequential phonemic awareness and phonics awareness instruction.
- Features detailed lesson plans with teacher dialogue in Spanish and teacher directions in English.
- Focuses on comprehensive instruction and skill development for sequencing, retelling, story grammar, making predictions, and main idea.
- Accelerates the transition to reading in English by targeting daily lessons in the five elements of reading.
- Delivers appropriate levels of scaffolding to ensure student success.
- Includes placement test and frequent assessments to monitor student progress and keep learning on track.

Components

Teacher Materials: Edición del maestro A, B, C (Teacher's Edition A, B, C); Answer Key for Libro de actividades A, B, C; Libros decodificables Take-Home Blackline Master; Edición del estudiante (Student Edition); Placement and Assessment Guide; Tarjetas de sonidos (30 Sound Cards); Tarjetas de sílabas (71 Syllable Cards), Tarjetas de palabras de uso frecuente (Frequent Word Cards); Staff Development Guide; and Teacher Online Subscription, 6-year access.

READ TO ACHIEVE

Grades 6–12

Targets Struggling Adolescent Readers

The program offers two unique modules that develop comprehension strategies students need to succeed in science, social studies, and English/literature classes.

Comprehending Content-Area Text

Students study examples of content in popular science and social studies texts with teacher guidance that gradually decreases. In final units, students work with their textbooks.

Comprehending Narrative Text

Students develop comprehension strategies appropriate for fictional and nonfiction texts. The anthology provides examples of authentic nonfiction trade books.

Components

***Read to Achieve* Teacher Materials:** Teacher's Edition, Professional Development Guide, Teaching Tutor, ePresentation, Transparencies, Assessment Blackline Masters, and one copy of student materials.

Online Teacher Subscription: ePlanner, Teacher eBooks, ePresentation, Professional Development Videos, and *SRA 2Inform* Online Progress Monitoring.

FUSION READING

ENGAGE, INVIGORATE, AND EMPOWER STRUGGLING READERS

Grades 6–12

Fusion Reading is a comprehensive reading intervention program designed to **engage** students with relevant topics, **invigorate** students with successful reading strategies, and **empower** students with confidence in their reading skills.

- Provides an engaging library of novels from the Bluford High Series and the Jamestown Education Series.
- Emphasizes timed-reading activities.
- Presents 10 online professional development modules for instructor training.
- Offers an online learning center linked to the University of Kansas Center of Research on Learning.

Fusion Reading Novel Library (From Bluford High Series)

- *Summer of Secrets, 710L*
- *Brothers in Arms, 610L*
- *Secrets in the Shadows, HL750L*
- *Lost and Found, 760L*
- *The Bully, 700L*
- *Blood is Thicker, 730L*
- *The Gun, 730L*

EXPRESSIVE WRITING

Grades 4–12

Students learn to express ideas and communicate clearly. This easy-to-use approach focuses on the writing and editing of basic sentences, paragraphs and stories. Instructional strands include mechanics, sentence writing, paragraph and story writing, and editing.

Components

***Expressive Writing* Teacher Materials:** Presentation Book and Teacher's Guide 1–2.

Check out *Expressive Writing* research at:
mheonline.com/directinstruction/success

Level 1

Workbook	978-0-07-603589-2	$22.11

Help students pass exit writing exams!

READING LABORATORY®

Grades K–12

Reading Laboratory®—a proven supplemental-leveled reading program—motivates students through self-guided, cross-curricular selections. By providing a range of reading levels and personalized instruction, *Reading Laboratory* can help you meet the need of all students—at any grade level—while encouraging them to learn at their own pace.

Trusted Reading Success

- 60+ years of improving reading scores.
- Now utilizes Lexile measures for progress monitoring.
- Builds comprehension, vocabulary, fluency, word analysis, and independent study skills.

Flexible, Personalized Learning for Your Classroom

- Supports learning for early finishers, extra time gaps, stations, and independent reading time.
- Makes it easy to manage an entire classroom of students at different reading levels.
- 50/50 fiction and non-fiction content across content areas to support reading to learn.

Confident, Independent Readers

- Content made approachable through short readings.
- Empowers students to monitor their own progress and partner with the teacher to determine readiness to move on to the next color-coded reading.
- Provides a sense of accomplishment when finishing and moving on to the next color.

*Use this color-coded chart to identify the *Reading Laboratory* most appropriate for each student's needs.

		Purple (Emergent Reader)	Violet (Emergent Reader)	Rose 1.2	Red 1.4	Orange 1.6	Gold 1.8	Brown 2.0	Tan 2.2	Lime 2.4	Green 2.6	Olive 2.8	Aqua 3.0	Blue 3.5	Purple 4.0	Violet 4.5	Rose 5.0	Red 5.5	Orange 6.0	Gold 7.0	Brown 8.0	Tan 9.0	Lime 10.0	Green 11.0	Purple 12.0

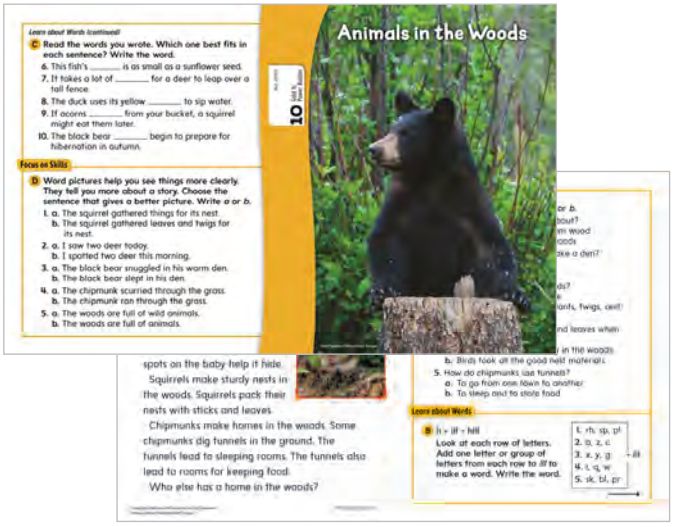
WHAT'S IN THE BOX?

With an easy-to-use box of self-guided and leveled selections for a given classroom, *Reading Laboratory* lets you develop confident readers through supplemental and personalized K–12 reading content that ensures each student is working at the appropriate level and moving ahead at their own pace.

Power Builders and Key Cards

Power Builders are the heart of the program. Each *Reading Laboratory* has more than 100 Power Builders—four-page booklets arranged in color-coded levels that keep students challenged as they progress through the program. Each Power Builder has three key parts:

- A high-interest fiction or nonfiction reading selection with accompanying photos or illustrations.
- A Comprehension section that poses multi-leveled questions about the reading selection.
- A Learn About Words section that includes vocabulary and word-study exercises.



Rate Builders and Key Cards

These short, timed readings improve fluency by helping students read faster while maintaining comprehension. Students are given three minutes to read a selection and answer the questions that follow. Rate Builders are organized into color-coded levels corresponding to Power Builder levels that gradually increase in reading skill level.

Available in *Reading Laboratory* 2 and 3 series only.

WHAT'S IN THE BOX? (cont'd)

Skill Builders and Key Cards

Skill Builders reinforce in basic comprehension, phonics, grammar, and word study skills. Students are directed to the Skill Builders to strengthen specific skills based on answers to the Power Builders.

Available in *Reading Laboratory* 2 and 3 series only.

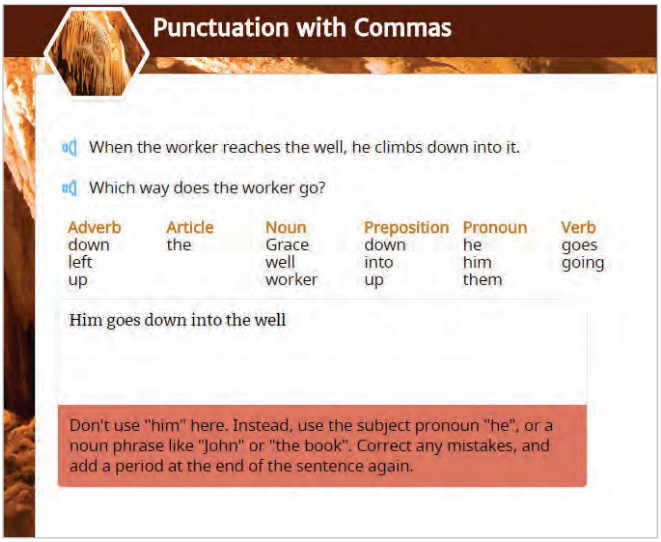
REDBIRD
LANGUAGE ARTS & WRITING

ACCELERATE LEARNING. CLOSE GAPS. BUILD A STRONG WRITING FOUNDATION FOR EVERY STUDENT.

Grades 2–7

Redbird Language Arts & Writing® leverages a student-centered personalized learning model to get students writing more. It offers immediate, error-specific feedback so students can continuously revise, improve, and strengthen their foundational writing skills without requiring teachers to grade more.

- **Instruction is personalized**: Moves beyond simple assessment and practice to offer individualized instruction at the level where students are ready to learn.
- **Learning is accelerated**: Integrates groundbreaking writing analysis technology, allowing students to receive immediate, error-specific feedback on sentence and paragraph compositions.
- **Educators are empowered**: Frees educators from basic grammar and simple mechanics instruction, which enables deeper and more complex conversations about style, voice, and meaning, truly boosting student writing skills.



1-year subscription	978-0-07-900896-1	$8.22

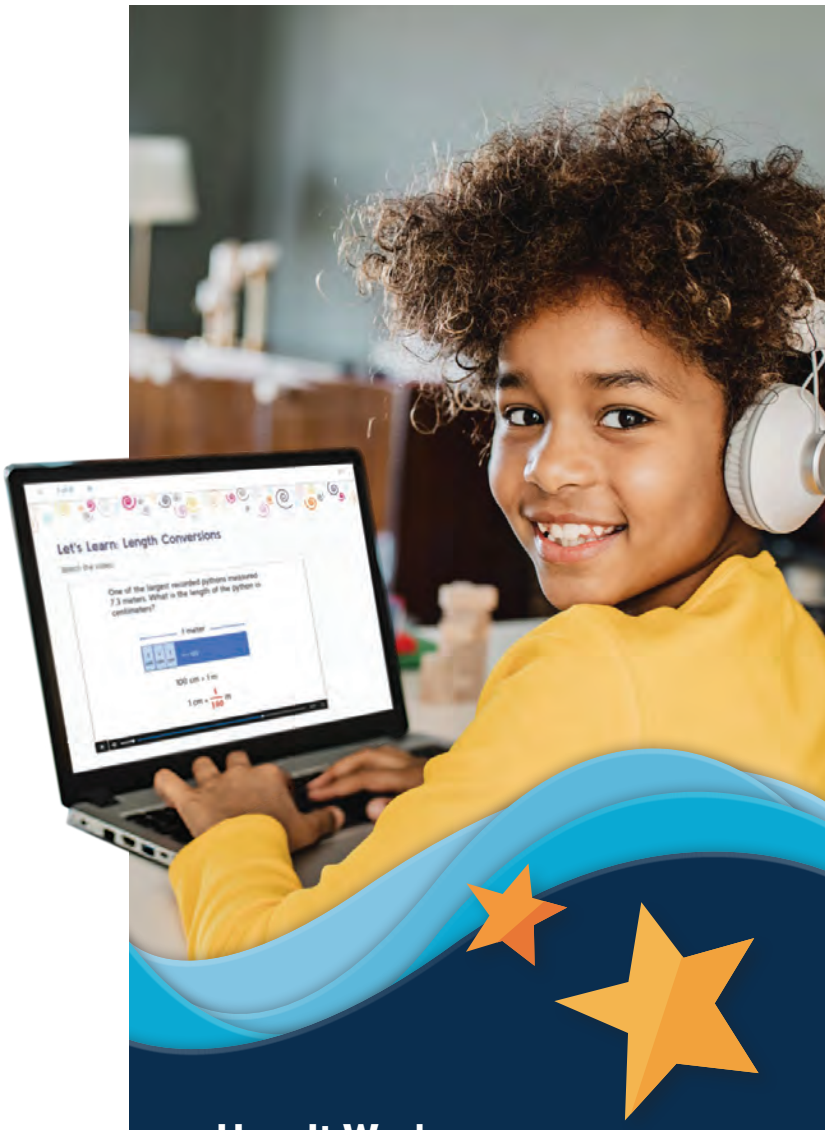
Learning's Not a Destination, **It's a Journey**

Rise™ | Grades K–8 Mathematics and ELA

Learning in today's environment can be a challenge for teachers and students. Whether it's virtual, in a brick-and-mortar building, or a combination of the two, changes to today's learning environment can impact each student's learning journey in different ways. But long-term lost learning doesn't have to be one of the consequences.

Rise

- Identifies each student's learning gaps.
- Creates a unique learning sequence and pace for each student.
- Covers over 1500 key grade K–8 learning objectives for math and ELA.
- Reinforces topics and mastery with the Recharge feature.
- Provides free offline access through the *ReadAnywhere*® app.

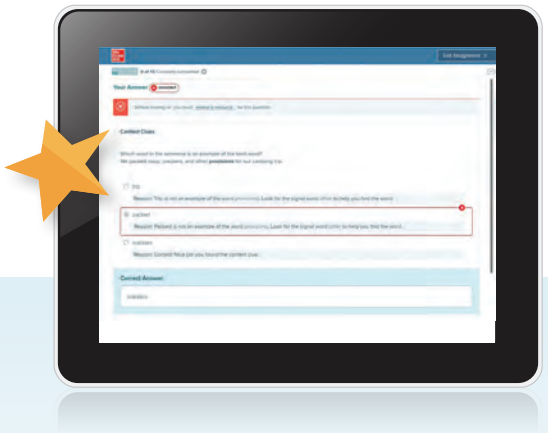


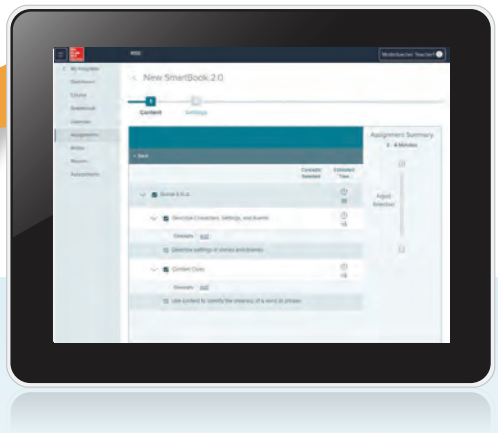
How It Works

Rise is curated from McGraw Hill's proven content and is uniquely designed to ensure that students aren't revisiting lessons they've covered in other programs. Teacher assignments can focus on filling students' learning gaps while also reinforcing the topic mastery of students who are performing at grade level. Each grade-level objective presents the student with mini-cycles of questions to assess their learning progress. When students demonstrate they've learned an objective, they move on. Students who need more practice with a concept receive prescribed, guided, and interactive reteaching activities to reinforce their learning.

Powerful Reporting that Makes a Difference

Rise gives teachers and students the data and information they need to measure progress and engage with content to ensure mastery.





Students are able to architect their own learning path through prescribed support resources, a self-study Recharge feature, and through a customized student reporting dashboard that allows students to view their performance summary and the objectives where they need reinforcement.

Teachers access a progress monitoring dashboard to identify students at risk or behind grade level, and to review the concepts and topics each student needs to master. Metacognition of students' confidence, overall class performance, and specific students' performance on assignments provides teachers with in-depth progress monitoring and real-time content mastery feedback.

How Do I Integrate *Rise* with My School District?

Rise is available through the McGraw Hill single-sign on and is powered by an adaptive learning engine. Upon purchase you'll also receive access to the free *ReadAnywhere*® app that allows for offline access.

ALEKS®

2019 & 2020 SIIA CODiE™ Award Winner
Best Mathematics Instructional Solution for Grades 9–12 and Higher Education

AN ADAPTIVE MATH AND SCIENCE PROGRAM

Grades 3–12

ALEKS® (Assessment and Learning in Knowledge Spaces) is a web-based, artificially intelligent assessment and learning system for grades 3–12. *ALEKS* uses adaptive questioning to quickly and accurately determine exactly what topics a student knows and doesn't know in a course. *ALEKS* then instructs each student on the topics they are most ready to learn.

ALEKS is purposefully designed to help educators:

- Identify instructional gaps.
- Personalize learning paths.
- Track the progress of student learning and mastery.

As a student works through a course, *ALEKS* periodically reassesses the student's knowledge to ensure that topics learned are also retained. It's an approach that has proven to create math confidence and measurable success for over 20 years.

ALEKS courses align with state and national standards, making it a perfect complement to any classroom environment. The proven technology of *ALEKS* can integrate with any system, anywhere, on any device.

To date, *ALEKS* has helped more than 20 million students at thousands of K–12 schools, colleges, and universities throughout the world.

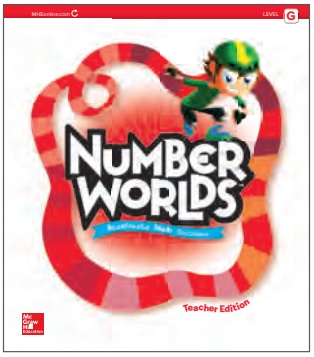
NUMBER WORLDS™

Accelerate Math Success

Grades Pre-K–8

Accelerate math success for struggling students with *Number Worlds*®, a comprehensive math prevention and intervention program.



Features

- Prepare students to meet rigorous Common Core Standards with a proven curriculum.
- Engage students with projects, games, activities, and digital resources.
- Assess student achievement with dynamic digital assessment and reporting.

Benefits

- **Multi-modal instruction** promotes a strong foundation in procedural and conceptual understanding in an engaging environment.
- **Digital manipulatives** support reasoning skills and problem solving by allowing students to explore virtually while modeling math concepts.
- **Online assessments and reports** help teachers and administrators record and monitor student progress at the student, class, and school level.

Prevention Levels (A–C) are designed to systematically teach students the foundational skills and concepts needed to succeed with math.

Level A Building Foundation for Kindergarten	Level B Kindergarten Key Standards	Level C Grade 1 Key Standards
Students learn well-developed counting and quantity schemas.	Students develop a solid understanding of single-digit numbers.	Students refine their understanding of the number system.

Intervention Levels (D–J) focus on foundational skills and concepts to meet key standards for grades 2–8. Each level contains five units that are six weeks in length. Each unit focuses on concepts aligned to the mathematical domains of the CCSS.

Topics Per Grade and Unit

	Level D Grade 2	Level E Grade 3	Level F Grade 4	Level G Grade 5	Level H Grade 6	Level I Grade 7	Level J Grade 8
Unit 1	Number Sense Within 100	Number Sense	Number Sense	Number Sense	Number Sense	Number Sense	Number Sense
Unit 2	Number Sense Within 100	Addition	Addition & Subtraction	Multiplication & Division	Operations Sense	Operations Sense	Operations Sense
Unit 3	Addition	Subtraction	Multiplication	Operations With Decimals	Algebra	Algebra	Algebra
Unit 4	Subtraction	Multiplication & Division	Division	Operations With Fractions	Statistical Analysis	Statistical Analysis	Statistical Analysis
Unit 5	Geometry & Measurement	Geometry & Measurement	Geometry & Measurement	Geometry & Measurement	Geometry & Measurement	Geometry & Measurement	Geometry & Measurement

***Number Worlds*® Prevention Package, Levels A–C:** Teacher's Edition, Playing Card Sheets, Placement Test Guide, Implementation Guide, Instructional Activity Cards, English Learner Support Guide, and Games and Manipulatives (for five students).

***Number Worlds*® Intervention Package, Levels D–J:** Teacher's Edition, Practice BLM Book, Playing Card Sheets, Placement Test Guide, Implementation Guide, English Learner Support Guide, Placement Test Book, and Games and Manipulatives (for five students).

Student Materials Bundle: Complete print and digital student resources for five students: Student Workbooks (Level C [5], Levels D–J [25]) and online Student Subscriptions (one-year).

Manipulative Plus Pack: Games and Manipulatives needed to teach the program for an additional five students.

***Number Worlds*® Online Teacher Subscription:** Teacher Dashboard, Building Blocks, Digital Tools and Manipulatives, Online Assessment, Conceptual Development Activities, Professional Development Resources, Workbook Displays, and Interactive Gameboards.

***Number Worlds*® Online Student Subscription:** Student Dashboard, Building Blocks, Digital Math Tools and Manipulatives, and Online Assessment.

CONNECTING MATH CONCEPTS: COMPREHENSIVE EDITION

SIEGFRIED ENGELMANN, DOUGLAS CARNINE, BERNADETTE KELLY, AND OWEN ENGELMANN

Grades K–5

Connecting Math Concepts: Comprehensive Edition works as a core program or as a Tier 3 intervention for at-risk students. Facts, procedures, conceptual understanding, applications, and problem solving skills are combined in this program to provide a comprehensive curriculum for students.

- Introduces key concepts over the course of multiple lessons—providing the time students need to learn, process, and build a deep understanding.
- Delivers new online resources that effectively instruct, manage, and monitor student progress.
- Teaches explicit strategies and processes to accelerate student achievement.
- Meets the math standards specified in Common Core State Standards.
- *Connecting Math Concepts: Comprehensive Edition* includes new instruction designed to meet and exceed the Common Core State Standards.
- Interactive White Board Displays allow teachers to display instructional math visuals and problems to help students follow daily routines.
- Student eBook and Textbook includes teacher- and student-guided exercises online.
- Student Workbook contains mastery tests and two practice tests.
- *SRA 2Inform* offers online progress monitoring and precise reporting for teachers.

ESSENTIALS FOR ALGEBRA

SIEGFRIED ENGELMANN, BERNADETTE KELLY, AND OWEN ENGELMANN

Grades 7–12

Engage struggling students

Ensure that under-performing students master pre-algebra content and learn introductory concepts in traditional Algebra I with this structured, year-long course. Students learn to process a wide range of problems and solve complex problems independently. Help your students master the first third of Algebra 1.

Components

Teacher Materials: Spiral-bound Presentation Books (2), Teacher's Guide, Answer Key, Board Displays, and Online Teacher Subscription (6 Years).

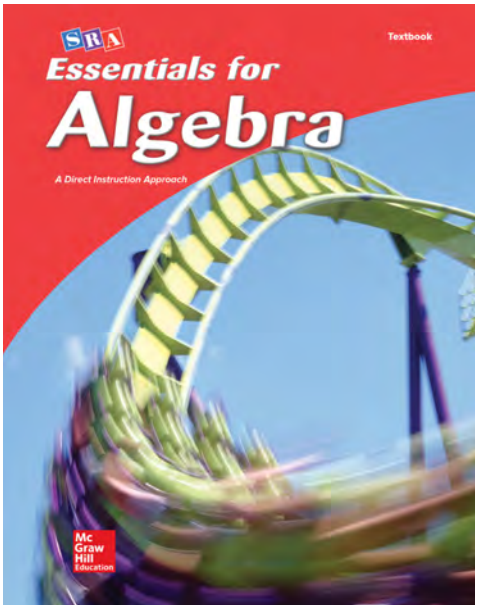
DIRECT INSTRUCTION



Help students pass end-of-course exams.

ON-DEMAND, TARGETED INSTRUCTION TO SUPPORT K–8 SKILL DEVELOPMENT

Grades K–8

Arrive Math™ Booster makes it easy for you to find the targeted resources you need to address every skill covered in the mathematics standards and make a plan that is just right for your classroom.

- Align your classroom data with supplemental lessons quickly and easily.
- Preview, assign, or add lessons to your calendar directly from standard- or skill-based search results.
- Teach with minimal prep, launching scripted lessons, printable resources, assignments, and digital lessons directly from the teacher's dashboard.

Flexible Resources to Make It Personal

These 15-minute lessons easily integrate into classroom instruction.

- Small-group, scripted hands-on lessons and discussion
- Assignable digital instruction and application
- Engaging small-group games
- Small-group academic language lessons

Arrive Math Booster offers 15-minute lessons that can be easily integrated into general classroom instruction no matter the instructional model.

REDBIRD
MATHEMATICS

ACCELERATE LEARNING. CLOSE GAPS. PREPARE EVERY STUDENT FOR ALGEBRA.

Grades K–7

Originally developed at Stanford University and grounded in more than 25 years of research in adaptive learning technology, *Redbird Mathematics* is an all-digital personalized learning program designed to supplement instruction and proven to accelerate learning for all students from remedial to advanced.

Enhance your math curriculum with student-driven, personalized learning that will:

- Deliver just the right level and amount of instruction and practice to propel learning forward.
- Use STEM connections to show students why algebra readiness matters and connect math to the real world.
- Identify and close algebra readiness gaps, without requiring additional whole-class instructional time.
- Generate real-time data to help you make insightful, actionable decisions about every student's progress towards algebra readiness.

1-year subscription	978-0-07-898672-7	$10.29

DEVELOP YOUR OWN CURRICULUM WITH *CREATE*®

At McGraw Hill, we want to empower educators and help increase student retention. What better way than by giving you the ability to create personalized course materials?

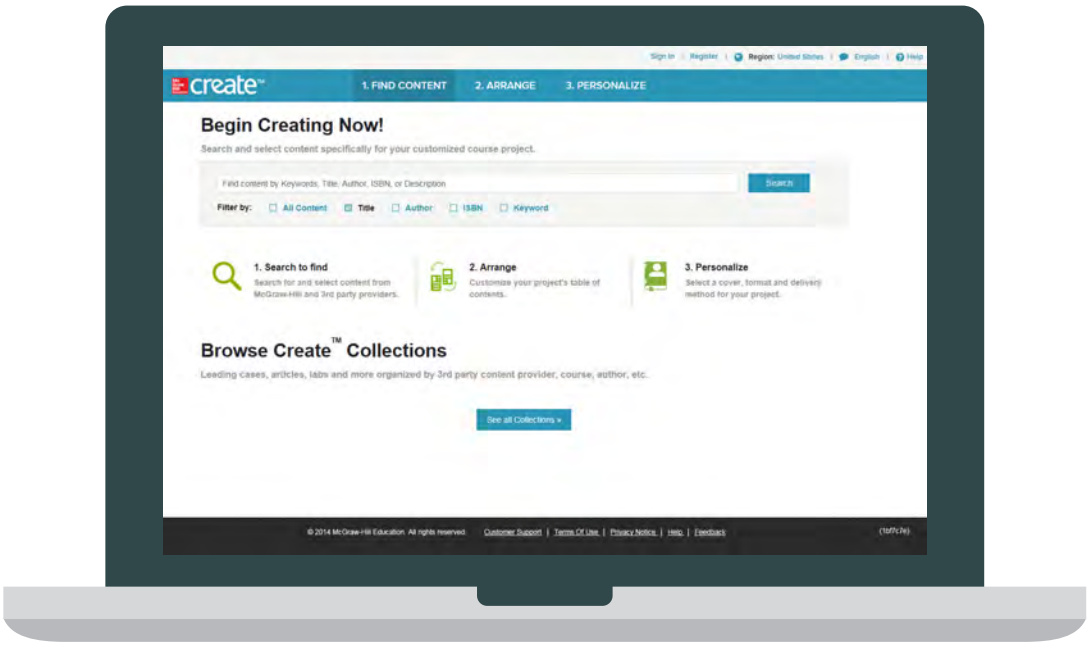
McGraw Hill Create® is a self-service website that allows you to create custom course materials by drawing upon McGraw Hill's comprehensive, cross-disciplinary content. Your print book or eBook is ready in three easy steps:

1. Find your content quickly and easily.
2. Arrange the content in a way that makes the most sense for your course.
3. Personalize your book and choose the best format for your students.

In just minutes, you'll receive your complimentary PDF review sample!

Begin creating now at create.mheducation.com

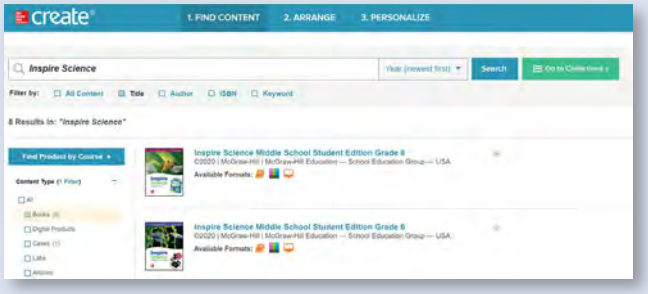
Start by registering for a *Create* account. If you already have a McGraw Hill account with one of our other products such as *Connect* or *ConnectEd*, you will not need to register on *Create*. Simply sign in and enter your username and password to begin using *Create*.



DEVELOP YOUR OWN CURRICULUM WITH *CREATE*®

1. Choose Your Content

Use the powerful search functionality within *Create* to access McGraw Hill textbooks and content found in the **Create Collections**, such as workbooks, science labs, and primary sources. Search by keyword or find products by course. Choose the content you want—you can easily combine content from multiple sources.

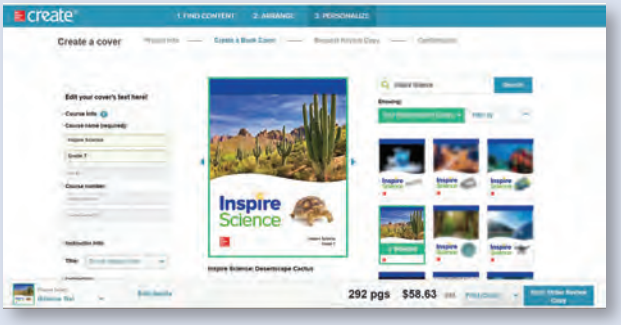


2. Arrange Your Content

After you've selected your content, *Create* allows you to simply rearrange chapters and even add section dividers to map your book to your course outline. The **Upload Content** feature enables you to seamlessly integrate your own content, such as a syllabus, teaching notes, or correlation into the book.

3. Personalize Your Book

Finalize your book by selecting a cover, adding your course information, and choosing the best format for your students—**color print, black-and-white print, or eBook.**



Review and Approve

With every book you build, *Create* provides you with a complimentary PDF Review Sample in minutes!

After you receive your review copy and approve it for use, it is ready to be ordered. The print book format can be ordered through your Sales Representative or by sending a Purchase Order directly to mhhe.create@mheducation.com.

Visit McGraw Hill *Create* today and begin building your book, your way.
Finally, a way to quickly and easily create the course materials you've always wanted!

Begin creating now at create.mheducation.com

Mc Graw Hill create®

ONLINE PROFESSIONAL LEARNING SUPPORT

READY WHEN YOU ARE

Whether you're implementing a new program—or you've been using a program for a few years—McGraw Hill Online Professional Learning supports you with a comprehensive library of relevant, self-paced professional learning resources—all available around the clock.

Short on time? Most embedded videos are less than 5 minutes, so you can learn a quick strategy while you're planning a lesson.

Program Implementation Support

Implementation support provides everything you need to know to get up to speed on day one.

- **Quick Start eLearning Courses** provide program basics to help you get started quickly.
- **Deep-Dive eLearning Courses** provide all you need to learn to fully implement your new program with fidelity.

Online Professional Learning is included with your program's digital resources.

ONLINE PROFESSIONAL LEARNING SUPPORT

Digital Platform Support

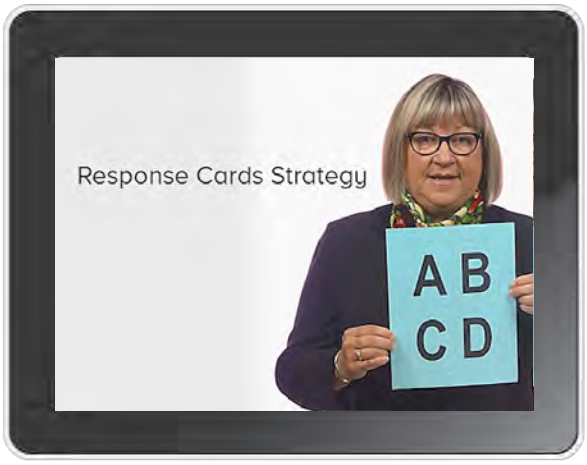
Digital support helps you feel confident planning, teaching, and assessing with the digital tools in your program.

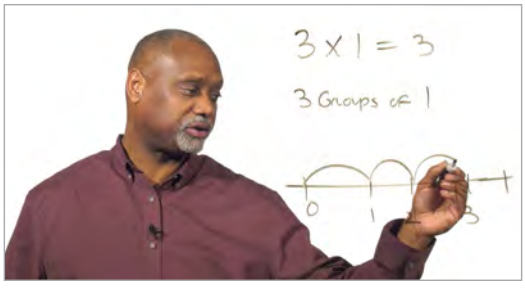
- **Digital Walkthrough Videos** provide an orientation to the resources available in your digital program.
- **Teacher Help** provides step-by-step instructions for your digital tools.

Ongoing Pedagogy Support

Pedagogy and content support resources allow you to choose what you want to learn when you want to learn it.

- **Instructional Coaching Videos** are embedded at the point of use to provide next-practice strategies.
- **Interviews with Experts** provide the "why" behind best practices.
- **Classroom Videos** show and model the teaching of strategies and lessons.
- **eLearning Courses** offer flexibility for self-paced, small-group, or workshop learning with online and facilitator-led options.





Online Professional Learning is included with your program's digital resources.

After You Place Your Order

Once you place your order you should receive an order confirmation of your order within 24-48 hours after placing. You can check the order status of your order at:

mheducation.com/customerservice

If you DO NOT receive confirmation of your order within 24-48 hours, inquire with customer service by phone or submit a case through the online site.

Shipping and Handling: Shipping and handling charges are additional and determined by weight and distance for United States orders. Shipping and handling will be added to your invoice.

When You Receive Your Order

Upon receipt of your order, please check your shipment carefully. If carton(s) are missing or damaged, please indicate any missing or damaged cartons on the Bill of Lading before you sign it. If there is an error with your order, notify Customer Service within 60 days. Defective goods or incorrectly shipped materials will be replaced at no charge if returned within 60 days. Do not stamp or distribute books or educational materials until you have verified the accuracy of your order. Do not install software until you have verified the accuracy of the order.

When calling or writing to inquire about an order or report a discrepancy, please have the following information available from your invoice or packing slip:

- Sales order number
- Purchase order number
- Invoice number
- ISBN(s) of title(s) in question
- Date of order placement or return
- The total number of cartons received

INTERNATIONAL CUSTOMERS

Many titles in this catalog are not available for international supply or to any destination outside the U.S. (except DoDEA schools). Please consult the international catalogs for titles available for supply outside the United States and Canada.

Shipping Method: Order shipments are made using the least expensive, traceable mode, unless otherwise stated by the customer.

Returns: Please see information in "Returns" for details regarding international returns.

ORDERS FROM INDIVIDUALS

Orders from individuals are accepted only with full payment. Check or money order for materials must include applicable taxes and shipping and handling charges. (American Express, MasterCard, and VISA are accepted.)

PAYMENTS AND STATEMENT INQUIRIES

To inquire about payments and billing statements, refer to your invoice(s) or billing statement(s) for the name of your credit analyst and for remittance information.

RETURNS FROM SCHOOLS/DISTRICTS

When returning instructional materials, direct the returns to the address on the packing list or call 1-800-338-3987.

Ship to McGraw Hill via UPS or common carrier, prepaid, insured, and traceable. Please note: Book postage, library and media rates are NOT traceable. All returns must be accompanied by a copy of the invoice and/or packing slip. McGraw Hill cannot issue credit on items lost in transit to our facilities.

Please include the reason for the return. Customers must report shortages, damaged, or defective products within 60 days of the invoice date. All shipments must meet our returns policy guidelines.

McGraw Hill accepts 100% return of its products, without prior written authorization, provided the following conditions are met:

- Products are returned prepaid in new, unmarked, and resalable condition.
- Returns are accompanied by our invoice or invoice information (invoice number, date, account number, ISBN, purchase price). If this information is not provided and we fail to locate the invoice in our files, a credit cannot be issued.
- Returns from domestic customers are received within 12 months of invoice date.
- Out-of-print products can be returned within 90 days following announcement of out of print status.
- Customers must report shortages, damage, or defective products within 60 days of invoice date. Returns: Please refer to your invoice for the appropriate returns address or contact customer service for assistance.
